Lincoln Curios Are Sought Here

What have you in the way of Abraham Lincoln relics in your home?

Dr. Louis A. Warren, director of the Lincoln Historical Research Foundation, Fort Wayne, Indiana, asks help in locating any really genuine Lincoln curios in this section.

Local people who feel that they have something of unusual interest should communicate immediately with Dr. Louis A. Warren, Lincoln Historical Research Foundation, Fort Wayne, Indiana, or

Mr. H. G. Everett, Lincoln National Life Insurance Company, Maywood, giving full details concerning the articles in their possession. Dr. Warren will then decide whether an article is worthy of special exhibition and make arrangements for sending it to Fort Wayne.

In the four years since its establishment, the Lincoln Historical Research Foundation has become the center of Lincoln information in America. Under Dr. Warren's direction there has been assembled the largest private collection of literature ever gathered about one man, Biblical characters

Dollar Day Bargains Offered By Torrance Merchants Set High Record In Values

Friday and Saturday of this week have been set aside by progressive Torrance merchants as "Dollar Days," and an array of bargains are offered which set a new high buying value on the American dollar. Never before in Torrance has so much value been offered for a dollar and perhaps never again will such bargains on seasonal merchandise be given. The special low prices for Dollar Days in every instance apply to regular stocks of merchandise of standard quality. Torrance Merchants' Dollar Day Bargains are not special merchandise bought for sale purposes, but on the contrary, are bona fide reductions on goods of recognized quality taken from the regular stocks of Torrance stores. Don't fail to look over the big list of Friday and Saturday bargains advertised on two special Dollar Day pages in this issue.

New Schedule Offers Hourly Transportation

Improved Service to San Pedro and Long Beach Provided by Buses

More frequent service through Torrance for the accommodation of travelers to San Pedro, Long Beach and Long Beach, will be offered by the Motor Coach Company, beginning April 1, when their new time schedule goes into effect. Beginning at 6:45 a. m., hourly service will be maintained until 6:30 p. m. The last bus for these points, via Lomita, will leave Torrance at 9:44 p. m. Exceptions to these will be at 6:45, 8:22 a. m., 2:18 p. m., which buses will run daily except Sundays and holidays, and at 7:18 and 11:18 p. m., which buses will run Sundays and holidays only.

Westbound to Redondo, service will begin at 7:51 a. m. and end at 7:00 p. m., except that at 1:39 p. m. and 11:40 p. m. the buses will run daily except Sundays and holidays, and at 7:45 and 12:07 p. m. on Sundays and holidays only. At 4:39 p. m. and 8:38 p. m. the buses will run through to Santa Monica. The complete time table will be found in the company's Dollar Day offer, good every day 'til Wednesday, April 6.

advertisement elsewhere in this issue. Buses leaving Torrance at 7:51 a. m., 2:13 and 7 p. m., will connect at Santa Monica for San Francisco and points north. A passenger leaving Torrance at 7:51 a. m. will arrive at San Francisco at 11:50 p. m. the same day. Good connections are offered at Long Beach for travel to San Diego and points south. P. E. connections are maintained at Redondo for points as far north as Santa Monica.

An added accommodation, provided through the company's connection with the Pacific Electric system, is the fact that round-trip tickets on either line, P. E. or Motor Coach, are interchangeable for passengers to and from San Pedro. That is, a passenger from Torrance may buy a round-trip ticket by coach to San Pedro, go to that city on a Motor Coach bus and return by train over the Pacific Electric railway. Or the passenger may go by train and return by bus. This arrangement does away with long periods of waiting, as the traveler is permitted to take whichever means of transportation suits his convenience.

NO SLEEP, NO REST, STOMACH GAS IS CAUSE
Mrs. A. Cloud says: "For years I had a bad stomach and gas. Was nervous and could not sleep. Amerika rid me of all stomach troubles and now I sleep fine." Will be found in the company's Dollar Day offer.

KEYSTONE NOTES

A very interesting meeting of the Women's Club was held on March 23, with Mrs. D. U. Keeney, program chairman for the day. Rev. James I. Jones was the speaker, his subject being, "The Christian Home Parallels with the Cross." His remarks were very helpful and inspiring to all present. Rev. Jones is pastor of the Keystone Baptist church and he and Mrs. Jones are doing a very splendid work in this community. Mrs. Florence Loozer gave two splendid piano numbers. Reports of their work were received from several chairmen of committees, and Mrs. George Koehler, ways and means chairman, announced that the club will have a trip to the Huntington library building. Tourtelotte will have charge of the next meeting on April 6. There will be only a short business meeting, as Mrs. Tourtelotte has provided transportation for all members who wish to go to the school art exhibit at Gardena high school. The club received an invitation from the Wednesday Progressive club of Gardena, which organization will be in charge on that date. All members who go will find this trip very enjoyable as well as instructive.

Easter Sunday guests of Mr. and Mrs. George Naimen were their niece, Madeline Paxton, and nephew, Don Smith, of Redlands.

Mr. and Mrs. James H. Crumrine attended Easter services at the First Christian church in Long Beach Sunday.

J. R. Crumrine, official state reporter, reports that it is "moving day" with the District Court of Appeals. Mr. Crumrine has been through four different moving periods. The court was organized in 1905, holding its sessions in the old Bullard building where the new city hall now stands.

Since then the court has occupied quarters in the International Bank building, the Union League building, the Associated Realty building and now it is moving into quarters in the new state building at First and Broadway. Twelve thousand volumes belonging to the state library is part of the equipment to be moved which will be handled by expert book-moving men.

SOUTH LOMITA CHURCH NOTES

A large congregation enjoyed the splendid program given Easter evening by the "Go Tellers" girls' club, under the direction of Mrs. Olsen and Mrs. Stein.

Mrs. John Stanton's home was the meeting place of the Women's Missionary society today.

Next Thursday evening will be the time for the regular business meeting of South Lomita church.

An invitation was extended to L. L. Letgers of the Pioneer Mission Agency to conduct a Victorious Life Conference in Lomita. Mr. Letgers replied that his time is all engaged until September 8, but he may be able to give us a week in the fall. He is now at the Bible Institute of Los Angeles in company with a number of other famous missionaries. From the Bible Institute they will journey up the coast to Portland, holding conferences until June 5th when they leave for Nebraska.

In the fall Mr. Letgers will be west again for conferences at El Paso, Texas, and Phoenix, Arizona.

The boys of the Sunday school will have their party at the home of Miss Mills on Saturday, April 9.

A prospectors' hike is on the program for next Saturday.

The Sunday school fish-net is half full, about 30 new members having been added to the roll since the net was put up three weeks ago. A party for the newcomers and those who have brought them will be given shortly.

Next Sunday a letter from the Gregorays will be read to the Sunday school. A letter of thanks for two generous boxes of groceries sent to them at their station at Caliente, Nevada. The Gregorays conducted a week of evangelistic services here last August.
